

Leviton Authorised Network Integrator Certification

Elektrawerken B.V.

has met Leviton Certification Program criteria and has successfully completed all required training and qualification activities. Therefore, Elektrawerken B.V. is hereby certified as a Leviton Authorised Network Integrator. Installations performed by Elektrawerken B.V. that are compliant with TIA/EIA and/or ISO requirements are eligible to receive a Leviton Limited 25-Year System Warranty.

Elektrawerken B.V. has agreed to conform to all Leviton, TIA/EIA, and/or ISO compliant installation practices in force at the time of installation. In addition, Elektrawerken B.V. agrees to install Leviton approved products and category compliant cabling in compliance with program policies and related industry standards. TIA/568 Series and ISO standards compliant links and channels are covered under the Leviton Limited 25-Year System Warranty when installed by Authorised Network Integrators.

Elektrawerken B.V. agrees to adhere to the terms and conditions of the Leviton Certification Program, and the terms and conditions of the Leviton Limited 25-Year System Warranty for the duration of their participation in the program. In no event shall Leviton be liable for special, indirect, incidental, consequential, or punitive damages (regardless of the form of action, whether in contract or in tort, including negligence, gross negligence, and strict liability). This includes, without limitation, lost profits or revenue; loss of data, technology, rights, or services; interruption of business; costs of procurement of substitute products; or other economic damage arising from the failure of a system installed by a Leviton Authorised Network Integrator.
